

THE APARTMENT

DÉCOR & THEME

*Sun, salt and sea –
weathered Fisherman's cottage.*

- ✓ Inspired by the patina of the sea and the charm of coastal village life.
- ✓ A space to feel calm, character and slow-living spirit in every corner.

LIGHTS & EVENINGS

*As the sun goes down,
the apartment changes with it.*

- ✓ The entry passage lighting is motion-sensor operated and switches ON/OFF automatically based on movement.
- ✓ The bathrooms are also equipped with motion-sensor lighting for convenience during night use.
- ✓ The remaining lights across the apartment can be controlled using the wall switches provided in each space.
- ✓ We recommend using only the lighting you need during evenings to preserve the relaxed atmosphere of the space.

SEA VIEWS & BREEZE

Open the doors. Let the sea in.

- ✓ Large sliding doors open to the balcony, bringing in the sea, the light and that unmistakable coastal breeze.
- ✓ Long curtains help protect your privacy and comfort, especially during bright days and evenings.
- ✓ Keep doors closed during heavy rain for your comfort and to keep the space dry.

ENTERTAINMENT

Put your feet up. Stay awhile.

- ✓ Smart TV with your favourite streaming apps.

WI-FI

Stay connected, when you want to.

- ✓ High-speed Wi-Fi is available throughout the apartment.
- ✓ The Wi-Fi name and password will be provided to you when you check in.

THE GREEN ROOM

CURTAINS & PRIVACY

The bedroom glass is tinted. During the day, visibility from outside is almost zero. At night, visibility increases when indoor lights are switched on.

AIR CONDITIONING

The bedroom is equipped with dedicated air conditioning. Recommended setting: 24°C–26°C.

LIGHTS & FAN

Two-way lighting controls allow the bedroom lights to be operated from the entrance and bedside. Fan controls are provided on both sides of the bed.

ADDITIONAL MATTRESS

A tri-fold mattress is available under the bed for an additional guest. Bedsheets, pillow and pillow cover are available inside the cupboard.

BATHROOM GEYSER

The bathroom has an instant water heater. Please switch it on only when required and switch it off after use.

24-HOUR POWER BACKUP

Oyster Bay is supported by 24-hour power backup through a diesel generator, ensuring uninterrupted comfort during power outages.

THE BLUE ROOM

LIGHTS & FAN
